Office of eLearning

… because change needs to be interpreted

(Online Course Development)

NEW COURSE

Thank you for your interest in the development of course(s) that deploy a significant degree of technology for interaction and delivery. The Office of eLearning will do what it can to assist you in the planning and designing your course for online and/or blended presentations.

Please provide the information requested below. Feel free to identify courses you have targeted for the future. If you have questions or need clarification, do not hesitate to call or email the Office of eLearning.

Semester	Department	Course Title & number	Instructor	ONLINE **no** face-to-face interaction with students (check where applicable)	BLENDED face-to-face **and** online (check where applicable)

Signatures: [*Applicant hereby acknowledges that content, tools, and learning objects developed for online course(s) are to be made available for use by other qualified faculty members*]
